Home Page - Variation

The screenshot shows the home page of the Jewish Genealogical Society. At the top left is the logo featuring a Star of David with a menorah and the text "Jewish Genealogical Society". A dark blue navigation bar contains links for Home, Calendar, Membership, Resources, Publications, Databases, Archives, About Us, and Member Login. The main content area is titled "Meet the JGS of New York" and includes a historical illustration of a horse-drawn carriage. To the right of the illustration is a paragraph about the society's history and a red button labeled "Buy Tickets for Annual Brunch". Below the illustration, text describes the website's resources, including a name index to Brooklyn naturalization records. On the right side, there is a section for "Upcoming Events" listing three events with dates, times, and titles. At the bottom left is the logo for "JEWISH GENEALOGICAL SOCIETY, INC."

Meet the JGS of New York

The Jewish Genealogical Society, Inc. (JGS) was founded in New York in 1977, becoming the first of what are now over 80 such societies worldwide. In the years since its founding, the JGS membership has grown to more than 1,000, with members from both the New York metropolitan area as well as elsewhere in the U.S. and abroad. The JGS presents innovative programming and seminars over the years, including monthly meetings with guest lecturers from a variety of disciplines; field trips to synagogues, cemeteries, libraries and archives; and workshops.

Our website contains information available nowhere else on the web. Notable among them:

- 235,000+ Name index to Brooklyn (Kings County) Naturalization records
